DISCLAIMER: MERS' Act 88 list is compiled from data maintained by Michigan's Secretary of State. The Act provides that "the governing body of a municipal or state unit, within 10 days after it elects to come under the provisions of this act, shall file written certification of its action with the secretary of state. Upon the filing of the certification the municipal unit or state unit shall be a reciprocal unit. The secretary of state shall maintain a list of reciprocal units, which list shall be available to any municipal unit or state unit requesting a copy." [See MCL 38.1103\(3\)](#). MERS has made every effort to ensure that its list is accurate and up to date. If MERS' list conflicts with the Secretary of State's list, the State determines the applicability of the provisions of Act 88 to the governing body of a municipal or state unit.
