

A SUSTAINABLE APPROACH TO RETIREE HEALTH CARE BENEFITS

MERS has selected Mercer Marketplace 365* to deliver a complete, individualized solution for your pre-65 and Medicare-eligible retirees.

WHY A PRIVATE HEALTH CARE EXCHANGE?

- Proven strategy helps employers reduce or eliminate OPEB liability while maintaining commitment to providing quality benefits
- Increased buying power of a private health care exchange enables retirees to enroll in plans that often provide **equal or better coverage at a lower cost** than typical group plans
- Reduced administrative cost and challenges for employers as compared to supporting a group plan

WHY MERCER MARKETPLACE 365?

MERS conducted a comprehensive vendor selection due diligence process to partner with a provider that will provide our members with:

- A complete product portfolio including options for pre-65 and Medicare-eligible individuals, as well as short term medical, dental and vision plans
- An industry-leading customer service model with knowledgeable, licensed benefits counselors in the Midwest who are dedicated to providing white-glove service to retirees and their dependents
- Proactive outreach to retirees across multiple communication channels to educate each retiree about changes to their health care plan and establish an ongoing relationship with their benefits counselor
- Coordination with the MERS Health Care Savings Program – retirees can use funds from their account for retiree health care premiums

Mercer Marketplace 365 is the only private exchange provider that delivers individualized support to both pre-65 and Medicare-eligible retirees. Each retiree is assigned to a benefits counselor who acts as a single point of contact, guiding retirees through the transition to a private exchange and providing them with ongoing support as their health care needs change.
